

BOARD OF DIRECTORS

CANDIDATE BIOGRAPHIES

AVAILABLE FOR REVIEW

Board of Directors candidate biographies are available for review below. This year, we will be electing two members to the Board of Directors. Board members work to guide the credit union in several areas including policies and budgets. Credit union members will be asked to vote on the nomination of the individuals below during Annual Meeting. Additional Annual Meeting information can be found online at: mymembersfirst.org/events.

MS. SONYA JACKSON

Sonya Jackson worked in the animal health technology field prior to her transition to Knox Brick Division of Chattanooga Brick and Tile where she served as office manager and inside salesperson for 29 years. In 2010, Jackson elected to leave the brick industry to be the primary caregiver to her mother after a diagnosis of metastatic breast cancer. During this time, she also worked concurrently as a substitute teacher at Tate's School of Discovery. Since July 2016, Jackson has been employed as an Administrative Assistant at West Town Christian Church, where she has been a member for over 40 years. In her current role, she also finds time to volunteer with senior and youth groups, as well as outreach and mission teams.

Jackson has been a credit union member since 1983. A longtime resident of Clinton, she resides with her husband, Harry, who is employed by Acme Brick as an architectural salesman. They have a son, Cooper, who is currently a junior at UT. The family enjoys various sporting events with a highlight being watching their son Cooper assist his 2017 and 2018 CAK Warrior baseball team to back-to-back state championship wins.

MR. BRYCE ROBINSON

Bryce Robinson was born in Asheville, North Carolina and grew up alongside the Blue Ridge Mountains of Western North Carolina. He attended Appalachian State University from 2005 to 2009 and obtained a Bachelor's degree in Computer Information Systems and a Master's degree in Business Administration. Upon graduation, Robinson accepted a job with the Department of Energy's Office of Science in 2010. While working on multi-million dollar contracts with multiple site offices such as the Oak Ridge National Laboratory and the Y-12 National Security Complex, he worked his way up to becoming a Supervisory Contract Specialist, leading a team of six. Robinson enjoys watching and attending NASCAR races, listening to bluegrass music and cooking anything on the grill. He currently resides in Karns.
